Goodness Guaranteed

At Gerkens®, we believe that there is always room for more goodness in the world and we're making it our mission to aim for all-round 100% goodness in the future. We're proud that our innovative cocoa powders already guarantee consistent high quality, delicious taste and colour – time and time again. We're delighted that our knowledgeable Cocoa Engineers are working tirelessly to reinvent the cocoa arena. And we're humbled to share goodness throughout the entire supply chain, encouraging cocoa farmers and their communities to thrive and supporting a strong sustainable cocoa industry.

Understanding Goodness

We understand your needs are broad and constantly evolving. That is why it is our mission to get to the bottom of what goodness means to you, to produce and suggest precisely the right cocoa powder for your consumer-wowning treats.

Perfecting Goodness

Consistency is key to your products delivering your recognizable, delicious signature taste. We're experts at perfecting each process to bring consistent quality, color and taste every single time.

Reinventing Goodness

We're always looking for new ideas to create goodness. We take consumer insights, growing trends and market demands and mix them up with a huge portion of inspiration to invent new mouthwatering goodness people will love.

Sharing Goodness

We believe that everyone in the cocoa supply chain should have their fair share of goodness. That is why at Gerkens®, we are committed to the Cargill Cocoa Promise, aiming to improve the lives of cocoa farmers and their communities, while securing a thriving cocoa sector for generations to come.

We are proud to be part of Cargill
